

Lee Cooper®
SINCE 1908

FALL/WINTER 2026

BRITISH CARS OF THE 1920S:

THE BEGINNING OF A 100-YEAR HERITAGE DESIGNS BEYOND THEIR TIME, THE FIRST STEPS OF A LEGACY THE 1920S MARKED NOT ONLY THE RISE OF THE AUTOMOBILE IN BRITAIN BUT ALSO THE BIRTH OF A LASTING LEGACY.

THE CARS THAT EMERGED DURING THIS ERA BECAME MORE THAN JUST MEANS OF TRANSPORT THEY BECAME ICONS THAT TRANSCENDED TIME. THE "100-YEAR HERITAGE" THAT INSPIRES LEE COOPER WATCHES TODAY WAS BORN FROM THE SPIRIT OF THIS VERY ERA: A PERFECT BLEND OF CRAFTSMANSHIP, ELEGANCE, FUNCTION, AND STYLE THAT DEFIED THE LIMITS OF ITS TIME.

100 YEARS OF HERITAGE: ATTITUDE THROUGH TIME NOT TIME, BUT HERITAGE SPEAKS.

THESE CARS WERE NOT JUST PRODUCTS OF THEIR TIME — THEY WERE EXPRESSIONS OF LASTING CHARACTER. TODAY, THAT CHARACTER LIVES ON IN EVERY DIAL, EVERY STRAP, EVERY LINE OF A LEE COOPER WATCH. LEE COOPER WATCHES DO MORE THAN TELL THE TIME — THEY CARRY A 100-YEAR HERITAGE ON YOUR WRIST. EVERY MODEL IS A STORY THAT CONNECTS THE PAST TO THE PRESENT, WITH SIMPLICITY ON THE SURFACE AND DEPTH IN THE DETAILS. WE BELIEVE A WATCH SHOULD NOT ONLY MARK TIME, BUT EMBODY ATTITUDE. BECAUSE STYLE ISN'T MEASURED BY A CALENDAR — IT'S DEFINED BY LEGACY.

IN THE TRACKS OF HERITAGE, IN THE RHYTHM OF TIME 100 YEARS OF HERITAGE, ENGRAVED IN EVERY DETAIL

THE HARMONY OF A VINTAGE ENGINE AND THE RHYTHM OF A MECHANICAL WATCH SHARE THE SAME SOUL. LIKE THE BRITISH CARS SHAPED BY 1920S ENGINEERING, LEE COOPER WATCHES MOVE WITH TIME — NOT AGAINST IT. IN FUNCTION LIES DESIGN, IN SIMPLICITY LIES CHARACTER, IN EVERY DETAIL LIES ELEGANCE. EACH PIECE CREATES A CONNECTION BETWEEN PAST AND PRESENT.

THAT'S WHY A LEE COOPER WATCH
